Instructors:

Emily Jordan

Emily has been a lifeguard since 1996. She is also certified in water fitness by AAAISMA and is certified in CPR and first aid. She has taught swimming lessons for all ages and abilities-- infants to adults since 1997. She coached the Newport Naval Blues Swim Team 2000-2002 and has been teaching Water Aerobics for over 4 years. For a consultation please contact Emily at 1-864-650-1085.

Holly Wysham:

Holly has a lifelong love of swimming. A certified Red Cross Water Safety Instructor, she creates a fun environment for young children while teaching them to safely and comfortably enjoy the water. She specializes in introduction to water and basic swimming skills, private or group lessons. To contact Holly please email her at wysham3@yahoo.com or call 757-650-4385

Preschool Level I:

The objective is to help students feel comfortable in the water and to enjoy the water safely. Elementary aquatic skills will be taught. Students will start to develop good attitudes and safe practices around the water. Fear of the water may be a major issue for some students regardless of age. This level is good for non-swimmers or swimmers who use floatation assistance. (Bubbles, wings etc.)

Preschool Level II:

The objective of level 2 is to give students success with fundamental skills. Students will learn to float without support and to recover to a vertical position. This level marks the beginning of true locomotion skills and adds to the self help skills taught in level 1. Students will begin to learn how to coordinate the front crawl and the back crawl. This level is perfect for someone who has some water skills.

School Age-Beginner: This class is designed for students who have just recently graduated from lower level classes such as pre-school. Class will focus of comfort and buoyancy in shallow and deep water. Skills covered include: bobbing, face in water, prone float, and supine float, streamline, alternating arm strokes, flutter kick and gliding. Some locomotion encouraged with the use of flotation devices.

School Age-Intermediate: Skills covered include: (Review of Beginner skills), New skills include: Rhythmic and Rotary Breathing, Flutter kick on back, alternating strokes on back, backstroke, underwater swimming and underwater object retrieval.

School Age-Advanced:

Skills covered include: Review of previous skill taught. New skills include: Lap swimming for freestyle and backstroke as well as an introduction to butterfly and breaststroke.

Junior Swim Technique Program(ages 6-17): Participants must be able to swim both freestyle and Backstroke. This program will refine all strokes, build endurance and work on turns. Classes to be announced. Contact Stephanie at extension 1036 if interested.

Registration Form for Group Lessons

Name of child: _____ **Age** _____

Name of Parent/Guardian: _____

Address: _____

Daytime phone: _____ **Evening Phone:** _____
